

Small Estate Markets in Financial Instruments Directive (MiFID) II

Equiniti Financial Services Limited is required by The Markets in Financial Instruments Directive II (MiFID II) to collect information that they may not currently hold in order to complete certain transactions.

In order to comply with MiFID II, you will need to provide the following information where an underlying positive share balance is held (as shown on the front page of the Verification Form):

- First name(s) and surname
- Date of birth (DD/MM/YYYY)
- Nationality(ies)
- National identifier based on the primary nationality (e.g. National Insurance No. for UK)

The attached form needs to be completed for the deceased shareholder and all the next of kin/executor(s) as listed on the Small Estate Declaration and Indemnity Form.

Guidance Notes to providing identity details

Below are some examples to help you complete the MiFID II Form - Small Estate (FORM 2). **Please read carefully as any incorrect forms will be returned without being actioned.** If you need any help to complete this form please call our helpline.

Single nationality

If you have only one nationality, write it in the **Country 1** box and write your Primary or Secondary National Client Identifier in the **National Client Identifier** box. The identifiers we accept for your country are listed on the National Client Identifier Guide table enclosed.

Please then place an 'X' to confirm if you have given your **Primary** or **Secondary** Identifier, or if you do not hold either.

Example: United Kingdom nationality

- Write 'United Kingdom' in the **Country 1** box
- If you have your UK National Insurance Number, write it in the **National Client Identifier** box then 'X' the **Primary Identifier** box
- If you do not hold this, place an 'X' in the **I do not hold any National Client Identifiers** box

Multiple nationalities

If you have more than one nationality, write them in the **Country 1**, **Country 2** and **Country 3** boxes in the order in which they are listed in the table overleaf. We then need the Primary or, if allowed for the country, Secondary National Client Identifier for Country 1.

If you do not hold either the Primary or Secondary National Client Identifier for Country 1, **please do not provide an Identifier for Country 2 or Country 3.**

Example: United Kingdom and Czech Republic dual nationality

- Write 'Czech Republic' in the **Country 1** box and 'United Kingdom' in the **Country 2** box
- Write your National Identification Number (Rodné číslo) in the **National Client Identifier** box then 'X' the **Primary Identifier** box
- If you do not have the Primary Identifier, write your Czech Republic National Passport Number instead and 'X' the **Secondary Identifier** box
- If you do not have either of the Identifiers for Czech Republic, place an 'X' in the **I do not hold any National Client Identifiers** box

Countries not listed on the National Client Identifier Guide table are in the 'All other countries' category, and should be entered last when you complete the form.

Example: United Kingdom and China dual nationality

- Write 'United Kingdom' in the **Country 1** box and 'China' in the **Country 2** box
- If you have your UK National Insurance Number, write it in the **National Client Identifier** box then 'X' the **Primary Identifier** box
- If you do not have the Primary Identifier for United Kingdom, place an 'X' in the **I do not hold any National Client Identifiers** box

If you are a national of two or more countries in the 'All other countries' category, you need to list them on the form in order of their Country Code. You can also go to our website: www.prosearchassets.com/mifid and enter your nationalities there. It will tell you the order in which to list them on the form and which National Client Identifier you need to provide.

Corporate bodies

Please provide your Legal Entity Identifier (LEI).

The LEI is a 20-digit, alpha-numeric code that enables clear and unique identification of legal entities or structures including companies, charities and trusts.

To find out more information about LEIs, please visit The Global Legal Entity Identifier Foundation website. To search for your LEI on their index database, visit their website search tool at: www.gleif.org
